Existing law establishes the River Protection Subaccount in the Watershed Protection Account for the acquisition and restoration of riparian habitat, riverine aquatic habitat, and other lands in close proximity to rivers and streams and for river and stream trail projects.

This bill would appropriate \$2,016,000 from the River Protection Subaccount to the Secretary of the Resources Agency for the Maywood Riverfront Park grant.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION. 1. Of this amount, sixteen thousand dollars (\$16,000) shall be allocated to the Secretary of the Resources Agency to administer the grant.

SEC. 2. The Legislature finds and declares that the appropriation made in Section 1 provides funding for construction costs associated with the completion of the Maywood Riverfront Park, as defined in the existing river parkway grant approved by the Resources Agency, including costs incurred prior to the availability of this appropriation.
